

Microsoft Azure – download software

Microsoft Azure har erstattet det, der tidligere hed Microsoft Imagine, hvor studerende på henholdsvis Sofiendalsvej og Hovrovej kan hente software, som de skal bruge i forbindelse med deres uddannelse.

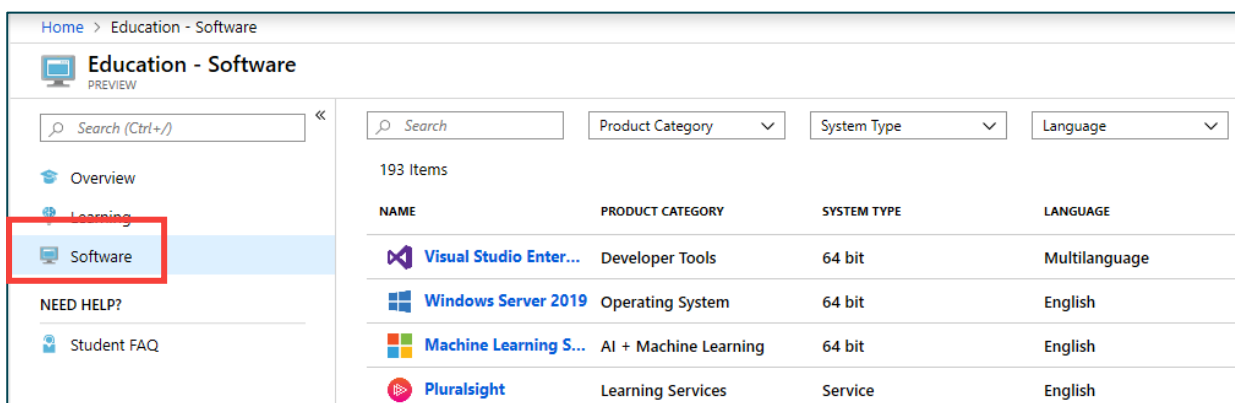

Du tilgår Microsoft Azure via dette link <https://aka.ms/devtoolsforteaching>

Sign in using the button below—you'll be taken to a page requesting you to sign in using a Microsoft Account. Learn about Microsoft Accounts [here](#).' A note below says: 'Note: Please use the email you provided for your previous Imagine subscription access when creating a new Microsoft Account.' A blue 'Sign In' button is highlighted with a red box in the bottom right corner.
