

UCN Emergency Card

- FOR STUDENTS TRAVELLING OUTSIDE DENMARK

Before leaving Denmark we recommend that you fill in the card. In the event of an unexpected situation, it is important that you have prepared relevant contacts to get in touch with depending on the situation (including the international coordinator for your study programme).

In our experience it is a great help to keep this contact information within reach in case of emergency. We suggest that you fill in the card and send it to yourself in an e-mail and print a copy to carry with your personal belongings.

If you are a Danish citizen, it is also a good idea to register on the List of Danes Abroad (known as 'Danskerlisten'). Find the list at www.um.dk where you can also find travel guides and security updates (in Danish) during your stay.
