Characteristics and values of the school.

A brief description of the school, possibly via a link to a website describing the school:

Siam Computer & Language School is a language school and a teacher placement agency. We now mainly focus on the placement of foreign teachers.

Siam signs contract with Thai private and government schools in Bangkok to run their English Language programs providing the curriculum taught, teaching materials and the foreign teachers.

We currently have contracts with around 30 Thai schools and have 80 foreign teachers working for us at those schools.

Other matters important to student teacher teachers at the school:

Siam Computer & Language school will arrange for pick up at the airport and will we taken to the accommodation that the student teachers has booked during the stay. We will of course help find a place that is close to school and within the budget of the student teacher.

Besides working closely with an experienced teacher. We also have Thai staff and Danish management that can be contacted if there are any concerns or problems during the stay.

Before arrival in Thailand I (Lars Fischer) would like to have communication with the student teachers to prepare them for their trip and clear any form of questions or concerns.

The student teacher must have the opportunity to fulfil the competence objectives during the teaching practice period. Please find the competence objectives in appendix 1.
